SIGN PERMIT APPLICATION PROCEDURES

Applications must include:

- Completed sign permit application form
- A scale drawing of the proposed sign showing the message to be displayed, sign area, height, material composition, colors, typestyle and size, all graphic elements to be used, and landscaping coordinated with site landscaping for landscape ground signs
- A photograph showing the location of the proposed sign and its relationship to the building or surrounding area
- A dimensioned plot plan drawn to scale (1" = 20') showing the location of the lot, building or structure on which the proposed sign is to be attached or erected
- A description of all electrical equipment and attachments if the sign is to be lighted or illuminated (illuminated signs require an electrical permit from the building inspector)

Other requirements:

- Applicants requiring Plan Commission review shall submit 10 hard copy sets of the complete application.
- Submit electronic (PDF) files of all applications via email to the City Planner.
- All freestanding signs 20 feet tall or greater shall submit construction plans stamped by a certified engineer to the City Building Inspector for approval.
- Shopping centers / multi-tenant buildings with leased space shall develop a comprehensive signage plan.
- Temporary sign applications shall include a written statement of the dates on which the sign is to be displayed.
- The fee shall be one dollar (\$1.00) per square foot for all signs with a minimum fee of \$50.00 and is due before issuance of any sign permit by the Zoning Administrator.
